

We're Here For You

People, Not Profits

The Summit Federal Credit Union was founded in 1941 with the underlying principle of “People Helping People.” We remain true to those traditional credit union values over 67 years later.

We exist solely to serve members

We serve members of all means including the underserved

We do the right thing for members

We have our members best interests at heart

We focus on “People, Not Profits”

The Summit is focused on making a difference in the lives of our members and enriching the communities we serve, every single day of the year. We are proud of our service to the community and have been recognized multiple times in the last few years by the Credit Union Association of New York for those efforts including:

Desjardins Youth Financial Literacy Award

Ralph Hillman Marketing Award

Volunteer of the Year Award, Bill Reifsteck, Summit Board Member

Outstanding Professional of the Year,
Michael Vadala, President & CEO of The Summit

Dora Maxwell Social Responsibility Award, 2-time winner

In addition, The Summit was recognized nationally in 2009 by the Principal Financial Group as one of The Principal® 10 Best Companies for Employee Financial Security.
