Girl Scouts and The Summit Collect 2,700 Items for PJ Round-Up

Winter will be warmer for women and children living in area shelters with the gift of new PJs, slippers and robes collected during the PJ Round-Up. The Girl Scout Council of Buffalo and Erie County and The Summit Federal Credit Union collected items throughout November.

Approximately 180 Girl Scouts participated throughout Western New York. Collections were also accepted at Summit branches in Buffalo and Clarence.

“The response to the PJ Round-Up from the community has been heartwarming. We salute the Girl Scouts plus our employees and our members for their hard work, dedication, generosity and selfless contribution to those less fortunate,” said Michael Vadala, President and Chief Executive Officer, The Summit Federal Credit Union.

Donations have been distributed to Cornerstone Manor, Gerard Place, Haven House, Homespace and Interfaith Hospitality Network of Greater Buffalo.
