Your exact loan rate will be determined once your loan has been approved, based on your past credit performance. The above rates are subject to change without notice. The APR for variable rate loans is based on the prime rate as published in The Wall Street Journal on the last Tuesday of the previous calendar quarter. This information does not apply to mortgages, share, money market and certificate secured loans. When refinancing a Summit loan, \$1,000 new cash is required to receive a lower rate.
