18 & 24 months	2.956	3.000						
30, 36, 42 months	3.053	3.100						

*Except as specifically described, the following disclosures apply to share certificate accounts.*

**1. Rate Information.** The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. The Annual Percentage Yield and the Dividend Rate assume that dividends are added to principal; any withdrawal of dividends prior to maturity will reduce earnings.

**2. Dividends Compounding and Crediting.** For all accounts, dividends are calculated by the Daily Balance method which applies a daily periodic rate to the principal in the account each day. For IRA Share Certificate accounts, the option to withdrawal or transfer your monthly dividend is not permissible.

**3. Accrual of Dividends.** For all accounts, dividends will begin to accrue on cash and non-cash deposits (e.g. checks) on the business day you make the deposit to your account.

**4. Maturity.** Your account will mature as indicated on your Account Receipt or Share Certificate Maturity Notice.

**5. Early Withdrawal Penalty.** No partial withdrawals permitted unless the exception criteria defined within this agreement are met. If a withdrawal occurs without meeting the aforementioned criteria then the Share Certificate must be closed, and the penalties below will be imposed on the entire principal amount.

**Amount of Penalty.** For all accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:

Terms of 1 year or less - 90 days dividends    Terms of more than 1 year - 180 days dividends

**How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been or would be earned on the account. It applies whether or not the dividends have been earned. In other words, if the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.

**Exceptions to Early Withdrawal Penalties.** The Credit Union will waive the early withdrawal penalty for the following situations, except when required by law.

- (i) The Share certificate is an Individual Retirement Account (IRA) and either:
  - (b) The owner attains age 70 1/2 and is withdrawing only his/her Required Mandatory Distribution.
- (ii) The owner of the share certificate dies or is determined to be legally incompetent by a court or other body of competent jurisdiction.
- (iii) Withdrawal is the result of voluntary or involuntary liquidation of the Credit Union.
- (iv) The share certificate is a Coverdell Savings account, the beneficiary reaches age 30 or has died, and the withdrawal is made more than six days after the certificate account was first opened and was most recently renewed.

**6. Renewal Policy.** Your Share Certificate will automatically renew at maturity, unless you direct us otherwise. For all accounts, you have a grace period of seven (7) calendar days, after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. Dividends will not be paid during the grace period if not renewed.

**7. Non-transferable/Non-negotiable.** Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with The Summit Federal Credit Union.

**8. Share Certificate Promotion Federally insured by NCUA.** Membership eligibility required. Certificate must be opened between 2/7/2019 and 4/10/2019. To qualify for the promotional Annual Percentage Yield (APY) you must open a new Share Certificate with promotional term of 11 months. APY assumes daily compounding of principal and interest. Early withdrawal of dividends or principal may affect your APY earned. There may be a substantial penalty for early withdrawal. Certificate renews automatically for 12 month term at the rate in effect at the time of renewal unless otherwise directed. Valid on new certificates only; existing certificates not eligible. Dividends on the Premium Checking are not paid if your average daily balance is below \$1,000. A \$5.00 fee applies if average daily balance falls below \$1,000 in any given month. Premium Checking must remain open for the initial 11 month term of the Certificate. Offer subject to change at any time at our sole discretion without notice.
