

## Courtesy Pay Select Opt-In

The notice explains our standard Courtesy Pay Programs and your choices for additional protection.

A **Courtesy Pay overdraft** occurs when the available balance\* in your account is insufficient to cover a transaction, but The Summit Federal Credit Union pays it anyway. We can cover your overdrafts in two different ways:

- We have a **Standard Courtesy Pay Program** that comes with your account.
- We offer many **overdraft protection options**, such as a line of credit linked to your checking account and automatic transfers from your Primary Savings account which may be less expensive than our standard overdraft practices. To learn more, ask us about these plans.

This notice explains our **Standard Courtesy Pay Program**.

### 1. What is the Standard Courtesy Pay Program that comes with my account?

We **authorize** and pay overdrafts for the following types of transactions at our discretion:

- Checks and other transactions made using your checking account number (i.e. ACH)
- Automatic Bill Payments, recurring debit card transactions, and similar transactions

We **do not** authorize and pay overdrafts for the following types of transactions unless you Opt-In (see below):

- ATM transactions
- Everyday Visa® Debit Card transactions (“everyday” refers to non-recurring debit card transactions)

We pay overdrafts at our discretion, which means **we do not guarantee** that we will always authorize and pay any type of transaction. If we **do not** authorize and pay an overdraft, your transaction will be declined.

### 2. What fees will I be charged if The Summit pays my overdrafts via Courtesy Pay?

- We will charge you a fee of **\$25** each time we pay a Courtesy Pay overdraft.
- There is a maximum of **five (5)** Courtesy Pay fees that the Credit Union may charge per day, per account.
- Members will be charged a fee if, at the time of authorization, the available balance is negative more than **-\$10.00**.
- Members with a Digital Edge Spend Account will be charged a fee if, at the time of authorization, the available balance is negative more than **-\$25.00**.
