

The Summit Federal Credit Union's 2023 Scholarship Program

At The Summit Federal Credit Union, strengthening our community is a large and important part of what we do. By investing in the future of our youth, we help make our communities better places to live and work. Through The Summit's Scholarship Program, we are happy to contribute to the college education of those students who share our active commitment to the community and who have distinguished themselves academically.

The Summit Federal Credit Union will award scholarships to outstanding high school seniors who are members of The Summit.

Eligibility

Each applicant must have an account at The Summit Federal Credit Union (in the applicant's name) and be a member in good standing. All applicants must be a high school senior for the 2022/2023 school year, with plans to attend an accredited college or university for the 2023/2024 school year. Students must have an overall B average or above.

Selection Process

The winners will be selected by a panel of judges responsible for evaluating and ranking applications received based on three separate criteria – community involvement (includes sports, volunteer work and activities outside of the standard school curriculum), essay response, and academic performance. Applicants should have documented contributions within their community – an important characteristic that defines all credit unions, our cooperative structure, and our roots as volunteer-driven organizations.

Application Process

Please complete the scholarship application in full. Include a copy of your activities/extracurricular/community service resume and an additional sheet for your essay response, preferably in a PDF or Word document.

Please note: Submission of an official copy of your high school transcript is required. Submission of an official copy of your SAT/ACT score is optional. If required by the student's school, the transcript can be mailed directly to the scholarship administrator (see below). It is the student's responsibility to ensure their high school transcripts have been submitted.
